Fiance?
Now that I think about it, I did hear a girls voice say "naked"...
AAH! IT'S NOT WHAT YOU THINK!
What does that mean?
When did you have a fiance?
It is alright.
Even if you are Sung Hoon's mistress,
my heart is large enough to accept it!
Mi... Mi...
MIS-TRESS?

M..me? Sung Hoon's mistress-?!
WHAT ARE YOU SAYING?
ARE YOU CRAZY?
휙
WAIT A MINUTE!
와장창
Ah... Ah...
The feelings that I held onto for 10 years... without even confessing...
Understood ...
I have no plans to trouble my husband....
I didn't even know about that till yesterday...
If you don't want to inconvinience me, please?
Hey, I'm going to tell her that you're my little cousin, just try and match my story.
Why should I do that? Isn't it a fact that I'm your fiance?

Speak.
Is your secret meeting over?
No no. It's not what you think. Please listen to my story Miss Na Rae.
Rang Ii is my little cousin. She's quite fond of me, that's why she said something like that.
You know, how little kids go all "I'm going to marry daddy~", its that.
I am not a little kid.
YOU SHUT UP!
Alright.
Huh?
Ho~
Wow, haven't seen those eyes in a while!
What must I do to survive?
If you say so, it must be so.
You're not the type to lie needlessly.
Na Rae, you're an angel!
Sung Hoon Vision
THERE-FORE.

TN: WHO TOLD YOU TO ADD THIS >.>

I am the master's maid,
I am called Sae Hee.
I FORGOT ABOUT HER!!!
Nice work!
Nice assist!
As he says,
the one I serve is Lady Rang Ti.
M.A.S.T.E.R?
Care to explain...?
It's a mis-understand-ing! I'm not her master-!!
And,

My master is the YOUNG MASTER's FIANCE.
HEY!
That was real?
It is!
Sung Hoon is the man who will become my husband!
JUST AN IMAGE
Some-body ...
save me from this chaos!
JUST AN IMAGE
My master and the young master,
were engaged even before being born.

So...
Rang Ii's parents are overseas, and she's spending her time at Sung Hoon's house for a while?
That was a spectacular summary.
Indeed.
We are lovey dovey after all.
Really?
And on top of that...
Sung Hoon said Rang Ii was his little cousin,
but in reality, they're complete strangers,
and you guys are engaged?
I guess this is better than telling her Rang Ii's true identity...
I guess...
that's how it is...

LOLICON! GO DIE!!
I met Sung Hoon a long time ago.
When?
You say that, but you two seem pretty close.
When he was born...
Ha, haha. A little after Rang Ii was born
Yea, it was quite a while ago, so I forgot about it.
W, who's a lolicon? My tastes are normal!
It might be an engagement, but my parents did that on their own.
I didn't have any idea what was going on!

Who are you calling a mistress?
I said I'd accept your mistress, but a mistress is only a mistress!
Why do you keep doing that?
If Sung Hoon had to pick between us, he'd obviously pick me!
Shouldn't you show affection to your wife first?
Your anger is directed at the wrong thing.
I know about Sung Hoon's preferences pretty well
Ever since he was young
Rang Ji was your name right?
Why? Sung Hoon is head over heals for me!
Because he's a lolicon!

he liked big breasts.
That's why he won't ever pick you.
Im... possible...
THAT CAN'T BE!

I can't breathe.
That can't be, that can't be!
Is this what zero pressure is? More importantly...
Sung Hoon... (sniffle)
Sung Hoon... (sniffle)
Animal ears...
Sung Hoon, Sung Hoon will love me!
and... a tail?

SUNG HOON LOVES ME!!!
피식
OK
Please excuse me.
